WV School Board Meeting / HS Library
7:00PM
THANK YOU—Volunteer Dessert
2:15-3:15PM
NO SCHOOL—Memorial Day observed
ALL library books due back (on your library day)

A message from  Mrs. Siguenza, our Principal!

Happy Spring!
Our third, fourth and fifth graders have been engaged in taking the Smarter Balanced Assessment Consortium (SBAC). We appreciate that they are getting plenty of sleep and eating healthy. We are really proud of how hard they are all working and concentrating on the assessment.

HOT WEATHER REMINDERS from our school nurse, Mrs. Macias.
* Dress for hot weather (not winter clothes)
* Drink plenty of water
* Wear a hat to help keep face out of the sun.
We have had a lot of kids overheated after recess/mileage club. Please remind your student that they need to pace themselves when it is so hot outside. Thank you.

Breakfast is served from 8:30-8:40AM
Students driven to school can’t be late for class due to eating breakfast. Please plan your morning accordingly. Thank you.

Volunteer Dessert
Wednesday, May 24th
2:15—3:15PM
This is a time for the Cottonwood staff to say THANK YOU to our wonderful volunteers. Please come enjoy some tasty desserts as we celebrate YOU.

Volunteering is moving???

If you are moving after the school year is over, please let the office know as soon as possible. We are starting to make preliminary numbers for next year’s classes and this information is vital. Thank you.

Transportation changes
With the end of the school year approaching, the number of transportation calls/changes seems to be increasing. Please try to keep calls to a minimum as much as possible. Also, please do not just email/text the teacher. You need to call the office also, so we can provide a note at the end of the day (especially in case there is a substitute that day.).
