Message from our Principal— Mrs. Siguenza

“We don’t know them all, but we owe them all.”
A very special thank you to all of those that are currently serving and those who have served our country. We are honored to observe tomorrow for them. Cottonwood honored our Veterans yesterday with a beautiful and educational evening program. Our wonderful Fine Arts teacher directed our talented 2nd and 3rd graders in several patriotic songs and an educational play about Veterans. Thank you Mrs. Strother, 2nd graders and 3rd graders!

With winter weather approaching, it is time to review our district communication plan for school delays or closures due to inclement weather. We always try to keep schools open. However, if necessary, school openings may be delayed to ensure the safety of students and employees. **In most cases, school closures or late start announcements will be made no later than 6:30 AM on local radio/TV stations.**

For the fastest way to know if there is a delay or closure, sign up for the “Flash Alert” system, you will receive an email when there is important information from the district. Go to this link to create an account:

http://www.flashalert.net/news.html?id=3527

This information will also be available:

- On the West Valley School District’s website: **WVSD.208.org**
  Go to the Students & Families tab, then Communication Tools

- Or call the District Closure Phone Line at **972-6002**

In order to keep phone lines open, parents and students are asked NOT to contact radio stations or schools for school closure information.

- Closure or delay announcements apply for one day only.
- All meetings in school buildings during a school closure will be cancelled or postponed.
- **NO ANNOUNCEMENT** means school will operate at the usual times.

2 HOUR DELAY =

SCHOOL BEGINS AT 10:55AM  Breakfast is **NOT** served
