Kindergarten Registration

Registering all new students for school year 2023-2024. Please be sure to tell your friends and neighbors.

MOVING????

If you are moving after the school year is over, please let the office know as soon as possible. We are starting to make preliminary numbers for next year's classes and this information is vital. Thank you.

Transportation changes

With the end of the school year approaching, the number of transportation calls/changes seems to be increasing. Please try to keep calls to a minimum as much as possible. Also, please do not just email/text the teacher. You need to call the office also, so we can provide a note at the end of the day (especially in case there is a substitute that day.)
