A message from Mrs. Siguenza, our Principal!

Can you believe summer vacation is just around the corner? Here are some fun activities that WVSD will be offering:

WVSD will have Summer Reading and STEAM Activities for all WVSD Elementary students every Tuesday this summer from 10 am -12 pm. The program will run from Tuesday, June 20th – Tuesday, August 15th (Closed on Tuesday, July 4th) at Wide Hollow STEAM Elementary on the corner of 72nd and Nob Hill. This opportunity for elementary and Pre-K students is funded via a partnership between the West Valley Schools Foundation and the West Valley School District. Students will be able to read, check-out books, and participate in exciting STEAM (Science, Technology, Engineering, Arts, and Math) activities. In addition, students will make recommendations of books they read over the summer and that book will be purchased for their school library in their honor Please let all of your families know about this wonderful program prior to leaving for the summer!

We only have seven more days of school. Lets make these the BEST seven days ever!
