ARTICLE 1 - PURPOSE OF AGREEMENT

This Agreement is made and entered into by and between **WEST VALLEY SCHOOL DISTRICT No. 208**, hereinafter referred to as the "District," and **TEAMSTERS LOCAL NO. 760**, hereinafter referred to as the "Union," for the purpose of negotiating the wages, hours and the general working conditions affecting the employees.

ARTICLE 2 - RECOGNITION AND BARGAINING UNIT

The District recognizes the Union as the sole and exclusive collective bargaining representative of all full-time and regular part-time classified employees of the West Valley School District, excluding supervisors and confidential employees, secretaries represented by the WVESA and all classified employees assigned to the Central Office. Temporary and substitute employees who have worked thirty cumulative days for the District in any given school year or the preceding year shall be considered members of the bargaining unit but only the following sections of the Agreement shall apply to substitutes: Appendix "A" (probationary rate)- or Article 6 - Seniority. "Seniority" does not apply to them except as defined in Article 5.1 of this agreement.

ARTICLE 3 - UNION SECURITY AND DUES CHECK-OFF

3.1 **Union Dues:** (Reference R.C.W. 41.56.110) The Union, which is the legally recognized Exclusive Bargaining Representative of the classified staff as described in the recognition clause of this Agreement, shall have the right to have deducted from the salary of members of the Union (upon receipt of a written authorization form), an amount equal to the fees and dues required for membership in the Union.

3.1.1 The dues deduction and authorization form shall remain in effect from year to year, unless withdrawn in writing by the employee. Dues deduction forms must be delivered to the business office within thirty (30) days from the start of school, or within thirty (30) days of an individual's beginning date of employment.

3.2 Representation Fee: (Reference R.C.W. 41.56.122) No member of the bargaining unit will be required to join the Union, however, those employees who are not members, but are part of the bargaining unit will be required to pay a representation fee to the Union equivalent to regular union dues and, for employees hired after January 1, 2003, an initiation fee. The amount of the fees shall be determined by the Union, and transmitted to the business office in writing. The representation fee shall be regarded as fair compensation and reimbursement to the Union for fulfilling its legal obligation to represent all members of the bargaining unit. (R.C.W. 41.56.080)

3.2.1 In the event that the representation fee is regarded by an employee as a violation of their right to non-association, such bona fide objections shall be resolved according to the provisions of R.C.W. 41.56.122, or the Public Employment Relations Commission.

3.2.2 If such employee pursuant to this Section requests the Union to use the Grievance and Arbitration Procedure on his behalf, the Union is authorized to charge the employee for the reasonable cost of using such procedure.

3.2.3 The Union agrees to defend and hold the District harmless against any legal action brought against the District in reference to the Representation Fee Deduction.

3.3 The District shall deduct current Union dues from the pay of any employee who authorizes such deductions in writing pursuant to R.C.W. 41.56.110. The District shall transmit all such funds deducted to the Union on a monthly basis.

3.4 When the District hires a new employee the District shall, within seven (7) calendar days of the date of employment, notify the Union in writing giving the name, social security number, hire date, address and classification of the employee hired.

ARTICLE 4 - RIGHTS OF PARTIES

4.1 **Management Rights**: It is agreed that the customary and usual rights, powers, functions and authority of management are vested in management officials of the District. Included in these rights in accordance with applicable laws and regulations is the right to direct the work force, the right to hire, promote, retain, transfer, and assign employees in positions; the right to suspend, discharge, demote, or take other disciplinary action against employees for just cause; and the right to release employees from duties because of lack of work or for other legitimate reasons. The District shall retain the right to maintain efficiency of the District operation by determining the methods, the means, and the personnel by which such operation is conducted.

4.1.1 The right to make rules and regulations shall be considered acknowledged functions of the District. In making rules and regulations relating to personnel policies, procedures, and practices, and matters of working conditions, the District shall give due regard and consideration to the rights of the Union and the employees and to the obligations imposed by this Agreement. The District will make a good faith effort to give the Union notice of any such changes.

4.2 **Union Rights**: The Union does not waive any right the Union has under applicable State laws including but not limited to the right to require the District to bargain collectively concerning any subject matter held by State laws to be mandatory or permissive which is not otherwise covered by this Agreement.

4.3 **Employee Rights**: It is agreed that the employees in the unit defined herein shall be protected in the exercise of the right, freely and without fear of penalty or reprisal, to join and assist the Union. Each employee shall have the right to bring matters of personal concern to the attention of appropriate Union and/or District representatives.

4.3.1 Prior to any formal disciplinary action, every employee who becomes the subject of potential disciplinary action shall be advised in writing at the time of an interview that he is suspected of A) Committing a criminal offense which could effect his job; and/or B) Misconduct that could be grounds for discipline.

This, in no way, interferes with management's right to suspend with pay, pending a preliminary investigation.

4.3.2 Any employee who becomes the subject of an investigation shall have the option of being accompanied by a representative of the Union or counsel of his choosing. This representation is confined to counseling, and not actual participation in the investigation. Upon request, a reasonable period not to exceed two working days shall be allowed, before an investigative interview, for the employee to arrange representation. In the event a Union representative is not available, up to five working days will be allowed to arrange representation.

ARTICLE 5 - DEFINITIONS OF EMPLOYEES

5.1 **Temporary Employee:** A temporary employee is one who is employed: (1) to perform a particular task or duty, but is not a “regular” or “probationary” employee as defined in this Article or, (2) to fill in for a regular or probationary employee for a fixed amount of time. Temporary employees may be discharged when the regular employee returns to work or when the need for such employee no longer exists. Temporary employees shall be paid the first (1st) year wage rate within a classification. The temporary employee will be paid at the “regular employee” rate. Temporary employees are part of the bargaining unit. Effective September 1, 2018 Temporary employees who become regular employees shall be placed on the seniority list and their original date of hire, without a break in service, shall be their seniority date. Only temporary employees hired for a period known to be for more than 630 hours or more shall be eligible for health care benefits under Article 15. If a temporary position extends for two (2) consecutive school years, the employee in the assignment will be converted to a regular employee.

For one hundred eighty (180) calendar day employees the six (6) month and nine (9) month probation periods will exclude any month in which the employee did not work six (6) or more days in the calendar month. (E.g., Employee works 6 or more days in August, they are considered to have completed 1-month of probation. Pro-rated compensation does not qualify as “work”. The first (1st) year wage rate on Appendix A will be paid. Following completion of probation, seniority shall be from the first (1st) day of employment. A probationary employee shall be employed only on a trial basis, during which period he may be discharged without further recourse. No employee will serve more than one probationary period, for any position within one classification.

ARTICLE 6 – SENIORITY

An employee on layoff status who fails to return following an offer of reemployment forfeits seniority and all other accrued benefits; provided that such employee is offered a position substantially equal to that held prior to layoff.

6.3 There shall be no deduction from continuous service for any time lost which does not constitute a break in service as set forth above.

6.4 **Lay-off - Recall:** Subject to the limitation that the employee is qualified to perform the work. In reducing the personnel because of lack of work or other legitimate reason, the last employee hired shall be the first (1st) laid off and on returning employees to work, the last employee laid off shall be the first (1st) rehired, provided that employee is qualified to perform the duties of the position. 8.4 **Voluntary Transfers:** The employee with the greatest seniority within each job category shall have preferential rights regarding promotions, assignment to new jobs or open jobs or positions, and layoffs when ability and performance are substantially equal with junior employees. If the District determines that seniority rights should not govern because a junior employee or other individual possesses ability and performance substantially greater than a senior employee or senior employees, the District shall set forth in writing to the employee or employees and the Union its reasons why the senior employee or employees has been bypassed. Employees who apply and meet the qualifications for a classified opening outside of the bargaining unit shall be given an interview for the position.

"Days," for the purpose of sick leave, shall be computed based upon the employee's work day. It is understood that sick leave is pro-rated based upon the employees work year and work day.

9.1.1 A deduction of one (1) working day of sick leave credit shall be made for each full days absence due to illness, injury, medical treatment related to pregnancy, or other reason specified in this section. Should any employee be absent for less than his assigned work day, sick leave shall be deducted in one (1) hour increments with the greater part of an hour being calculated as one (1) hour.

9.1.2 **Reporting:** Employees who are absent from work more than (5) consecutive working days may be required to file a doctor's certificate with the appropriate supervisor indicating the absence was a result of personal illness or injury of the employee. Employees who are absent from work for five (5) days or less will file with the appropriate supervisor an affidavit certifying the reason for the absence. This shall not apply to absence where sick leave is used for leave other than illness as listed in this section, in which case the specific reasons for the absence shall be provided to the appropriate supervisor. Employees returning to work after an extended illness or injury will be required to furnish the District with a doctor's written assurance that the employee is well and can perform his or her normal duties. Abuse of sick leave will result in disciplinary action. Abuse of sick leave shall include, but is not limited to, dishonesty when reporting sick leave and shall result in discipline up to suspension or discharge. All employees are required to report sick leave absences as soon as possible, but in no event shall the report be made later than the first day of absence, unless the employee is physically unable to report such absence. Employees who use Absence Management for securing a substitute are required to report sick leave absences as far in advance of the starting of their scheduled work day as possible, but in no event shall this report be made later than the first day of absence.

2. Donated leave shall be listed by the donating employee. An employee desiring to donate leave shall provide the personnel office with a written request setting forth the specific number of days donated. The written request shall be made between September 15 and October 15 of each year; other periods of time mutually agreed to by the parties.

3. Donation of sick leave shall be subtracted from the donating employee's current sick leave benefit. Yearly cash out pursuant to the contract shall not be affected by a donation of sick leave unless the donation would reduce the accumulated balance of sick leave below ten (10) days, in which case the donating employee's current year benefit would be reduced day-for-day by the

donation.

4. Eligible employee shall mean an employee of the bargaining unit who does not accrue annual leave.

5. Employees may donate directly to another member within the bargaining unit.

3. Replacement employees and substitute employees are not eligible for receipt of donated sick leave.

Contributions on behalf of each eligible employee shall be based on the conversion value of sick leave days accrued by such employee available for contribution on an annual basis and at retirement in accordance with the statute. It is understood that all eligible employees will be required to sign and submit to the District a hold harmless agreement complying with the statute. If an eligible employee fails to sign and submit such agreement to the District, he/she will not be permitted to participate in the Plan at any time during the term of this agreement, and any and all excess sick leave which in the absence of this agreement would accrue to such employee during the term hereof shall be forfeited together with all cash conversion rights that pertain to such excess sick leave.

Medical leave shall not exceed one (1) year in duration, unless extended by Board action. Except in unusual situations, a one (1) year leave of absence will automatically be granted.

9.2 **State Industrial:** Any employee who is eligible for State Industrial Compensation for time off because of an on-the-job injury may be paid accumulated sick leave at their option. Any State Industrial benefit received by the employee who has received sick leave benefits may be endorsed to the Employer. Should an employee not make such endorsement, a corresponding deduction shall be made from the following paycheck. Upon receipt of this benefit by the Employer, the employee shall be credited with sick leave on a pro-rated basis of the State Industrial benefit to the original amount of sick leave taken.

9.5 **Personal Leave:** Each 260-day employee shall be provided two (2) days of paid personal leave per year. Each 180-day employee shall be provided three (3) days of paid personal leave per year, to a maximum accumulation of six (6) days. Unused personal leave shall be reimbursed at the employee's regular hourly rates, except that there shall be no cash reimbursement during the two (2) years immediately preceding the employee's retirement, and for unused personal leave accruing during this period the District may reimburse the retiring employee by providing the equivalent compensatory time off with pay. Should an employee retire after having exercised the cash out option during the two (2) years previous to retirement, the employee shall reimburse the District for cashed-out personal leave by deduction from the employee's pay or such other manner as the employee and the District may mutually agree upon. Employees provided compensatory time off in lieu of cashed-out personal leave must schedule this leave with their immediate supervisor. Unless the supervisor determines that adequate staffing can be maintained, no more than two (2) employees per building or job category will be allowed leave on the same day. Such leave will be granted on a first come first served basis. Such leave is not deducted from sick leave. Such leave may not be used by a probationary employee, nor may it be used during the first (1st) or last week of the school year. Leave may be used to extend holidays and for vacations with the superintendent's approval. Such cases will be considered individually and will not establish binding precedents.

9.6 **Military Leave:** Employees shall not be discriminated against because of work time lost due to national defense commitments.

9.6.1 **Reserve Duty:** A regular employee who is an active member of any organized reserve of Armed Forces of the United States, shall be entitled to and granted a military leave of absence from his employment for a period not exceeding twenty-one (21) days during each year beginning October 1st and ending the following September 30th (RCW 28.40.060). Such leave shall be granted in order that the employee may take part in active training duty in such manner and at such time as he may be ordered to active training duty. Such military leave shall be in addition to any vacation or sick leave to which the employee might otherwise be entitled, and shall not involve any loss of efficiency rating, privileges, or pay. During the period of military leave, the employee shall receive his normal pay.

9.6.2 **Active Duty:** Military leave will be granted any employee required by law to enter active

military service. The employee returning from military duty shall retain seniority rights and will be given employment as near the original position if possible until the expiration of the contract year. If no position is available, he will then be reinstated in his original position at the beginning of the new contract year. The position on the salary schedule will be the same as if he had remained on duty with the District. These provisions do not apply to the new duties in the fall of his first year. Notification of return and availability shall be accomplished by the returning employee within a sixty (60) day period of his release from active military service. Above is void if he voluntarily re-enlists or extends the enlistment. Employees called to active duty in the reserves or National Guard will be allowed to continue their health insurance providing the employee pays for such coverage.

9.7 **Maternity Leave:** Maternity leave and discrimination in employment because of pregnancy are covered under RCW 49.60 and Affirmative Action guidelines. A woman shall not be required to leave work at the expiration of any arbitrary time period during pregnancy but shall be allowed to work as long as she is capable of performing the duties of her job and as long as her physician concurs. To be entitled to maternity leave under this Section, a woman shall inform the District in advance of her intention to take leave. The employee shall be granted leave for a reasonable length of time determined by a doctor prior to the birth of the child. The District may require a physician's statement to determine if the employee is unable to work due to her temporary disability. For sick leave benefits to extend beyond normal delivery and recovery period following the birth of a child, the employee shall have a physician's statement on file in the District's payroll office concerning the health of the employee after the child's birth and an estimate of the approximate date the employee shall be recovered sufficiently to return to work. After the birth of the child the employee will notify the District of her intent to return to work or request additional maternity leave which may be granted up to six (6) consecutive calendar months, without pay. If the woman employee and the school district cannot agree on matters relating to maternity leave, either party may submit the facts to the Executive Secretary of the Washington State Human Rights Commission for a ruling.

9.8 **Leaves of Absence:** Upon recommendation of the immediate supervisor through administrative channels to the Superintendent, and upon approval of the Board of Directors, an employee may be granted a leave of absence for a period not to exceed one (1) year; provided, however, if such leave is granted due to extended illness, one (1) additional year may be granted. There is no pay, benefits, or leave or seniority earned or accrued during the leave. The District may limit unpaid leaves of absence to not more than two (2) employees per year.

9.8.1 The returning employee will be assigned to the position occupied before the leave of absence. Employees hired to fill positions of employees on leave of absence will be hired for a specific period of time. It shall be the responsibility of the District to inform replacement employee(s) of these provisions. The leave is for a specific time, and the employee cannot return to the position, of a District employee, during the leave period, without the permission of the District.

9.8.2 The employee will retain accrued sick leave, vested vacation rights while on a leave of absence. However, vacation credits, sick leave, and seniority shall not accrue while the employee is on leave of absence; provided, however, that if such leave is approved for extended illness or injury, seniority shall accrue. The District proposal will assure the classified employees in the Teamsters bargaining unit that there will be no decrease in the amount of state funding due to salary increases for non-represented classified employees.

17.2 In the extent that any provision of this Agreement is found in violation of state law, SPI rules and regulations on salaries, benefits, vacations, holidays, or any other terms of this Agreement, it shall be adjusted by the District to place the District in compliance with state statutes and rules and regulation as promulgated. Any salary adjustments will be on an equal and fair share basis to all classified employees of the District. It is the intent of both parties to take exact dollars required to bring the District into compliance from future salary increase monies if possible to do so rather than adjust salaries during the year.

17.3 Should any court challenge to the statutes cited above be successful, thus voiding the limitations imposed thereby, the salaries and insurance benefits in this Agreement may be reopened by the mutual consent of the parties.

17.4 It is agreed and understood by both parties that for the term of this collective bargaining agreement, the bargaining unit members will receive the state funded salary increase(s) and Health Care Benefit increase(s), and that said increase(s) will not be decreased by giving any other classified employee bargaining unit any portion of the bargaining units increase(s).

Any such appeal shall be presented to the district in writing within fourteen (14) calendar days, and if not presented within such period, the right of appeal shall be waived. Any such appeal shall be handled as a grievance in accordance with Article 19.

18.3 Except for incidents relating to theft, fraud, alcohol or drug abuse, child abuse or any other criminal activity, no written warning notice shall remain in effect for a period of more than three (3) years providing there are no related offenses during this period. B. A grievant is an employee, a group of employees, or the Union filing a grievance.

19.2 PROCEDURE:

A. In the event that an employee believes there is a basis for a grievance, the employee will first discuss the alleged grievance with his/her building principal or other appropriate supervisor either personally or accompanied by his/her Union representative. These discussions must take place within the fourteen (14) calendar days of the occurrence, or fourteen (14) days of knowledge of the occurrence, of which the alleged complaint is made.

B. If the grievance is not thus resolved, formal written grievance procedures may be instituted.

STEP 1. The grievant may invoke the formal grievance procedure through the Union. A copy of the written form shall be delivered to the principal or immediate supervisor. If the grievance involves more than one (1) school building, it may be filed with the Superintendent or designee. STEP 2. In the event the grievant is not satisfied with the disposition of the grievance at Step 1, within ten (10) calendar days after receipt of same, or if no disposition has been made within ten (10) calendar days of such meeting, or twenty (20) days from date of filing, whichever shall be later, the grievant may appeal to the Superintendent. Any appeal from a written decision must be accompanied by specific written reasons on which the appeal is based, and must be signed by the grievant or appropriate Union representative. The Union shall exercise its right of arbitration by giving the Superintendent written notice of its intention to arbitrate within the twenty (20) calendar day period. If the parties cannot agree as to the arbitrator or arbitration agency inclusive of the Federal Mediation & Conciliation Service (FMCS) or the Washington State Public Employment Relations Commission (PERC) within five (5) days from the notification date that arbitration will be pursued, the arbitrator shall be selected from a list of arbitrators issued by the American Arbitration Association in accordance with its rules, which shall likewise govern the arbitration proceedings. The parties shall not be permitted to assert in such arbitration proceeding any ground rule, except as provided in jurisdiction of the arbitrator, or to rely on any evidence not previously disclosed to the other party. The arbitrator shall have no authority to make an award which is not in conformance or consistent with law.

C. Litigation Costs: The decision of the arbitrator may be entered in any court of competent jurisdiction should either party fail to implement the decision. If a motion to vacate the arbitrator's decision is entered in a court of competent jurisdiction, and the initiating party does not prevail in the litigation, such party shall bear the full costs of such action including, but not limited to, the adverse party's court costs, legal fees, and other related expenses incurred as a result of defending such action.

WEST VALLEY SCHOOL DISTRICT NO.208

TEAMSTERS LOCAL NO. 760**

TRANSPORTATION:

ARTICLE 1C - TRANSPORTATION SPECIAL WORKING CONDITIONS

1.C. Route Times: The District shall establish average driving times for each route. Drivers will be paid for this established driving time, regardless of actual time necessary for route completion. Exceptions to this pay structure may be granted for emergencies or unusual situations as determined by the Transportation Director or designee. Changes to established routes and/or addition of new stops must be authorized by the District. In the event an established route is increased or decreased by fifteen (15) minutes or more, the routes will be re-bid.

1.C.1. All regular routes will be bid on the basis of seniority of bargaining unit members before the start of each school year.

1.C.1.1. Pre-school routes: The driver(s) awarded the pre-school routes will have the first opportunity to work vacant hours until such time the pre-school routes begin or after they have ended.

1.C.2 If there are thirty (30) minutes or less between any driver's assignments, the base hourly rate shall continue uninterrupted so long as the driver performs assigned duties during the available time.

1.C.3 Minimums: Employees who drive regular A.M., Mid-day and P.M. runs-(except field trips) will be paid eight (8) hours driving time, provided they perform any task assigned them by their supervisor to ensure a full eight (8) hours work day to the District. The available extra work shall be offered in seniority order. Employees who do not perform additional tasks will be paid for their run time only. Additional work shall be performed in one half (1/2) hour increments. Bus wash time (45 minutes per week/9 minutes per day) and monthly meeting time for eight (8) monthly meetings to be held in September, October, November, January, February, March, April and May (60 minutes per month/480 minutes per 180 day work year/2.7 minutes per day) shall be considered required duties of all drivers and incorporated into their daily contract time.

Additional Time and Responsibilities shall be calculated into drivers contracted FTE:

- Bus wash time (45 minutes per week/9 minutes per day) 27 hours per year.
- Monthly meeting time for eight (8) monthly meetings to be held in September, October, November, January, February, March, April and May (60 minutes per month/480 minutes per 180 day work year/2.7 minutes per day) 8 hours per year.
- Communication with guardians and school district staff (25 minutes per week/5 minutes per day) 15 hours per year. Time shall be calculated into the total of the .30 hours per day. The .30 hours will not be deducted from the Leave time Calculation. Employees are expected to make up all meetings and training missed when a call in occurs.
- Bus wash time, monthly meeting time and communications shall not be calculated into the leave FTE. Bus washing, monthly meetings, and communications must be fulfilled upon return from

absence.

1.C.3.1 On any contracted day that an eight (8) hour driver does not have three (3) starts, work will be offered to make up for the lost time to ensure a full eight (8) hours pay. If the driver declines the work the time will be deducted from the driver's regular pay.

1.C.4 Transportation Extra Trips: All extra trips shall be distributed on a rotational seniority basis in the following order:

- 1) to the less than full-time drivers (less than 8 hours per day)
- 2) then to full-time drivers (8 hours per day) only when part-time drivers are not available or when they have all attained the forty-five (45) hour workweek.

Each less than full-time driver (8 hours per day) will be offered such an extra trip prior to any driver being offered a second trip. Full-time drivers may have the ability to sign up for extra trips. ON a normal week, when all less than full time employees have reached 45 hours or are unavailable, unlimited overtime shall be offered to the senior employees.

Trip rotation will be on a weekly basis. During any full week in which there are no regular bus runs, a full-time driver may bid for extra curricular runs. For purposes of this subsection, "full-time driver" shall mean 1.0 FTE employee based on 1440 hours per year.

1.C.4.1 Bidding: Extra Trips, Regular Field Trips

A) Sign up will be on a Seniority Rotation Basis

B) Posting for all extra trips will be Thursday before the end of the day. Sign up deadline shall be Friday morning. A driver who wants to take an extra trip must be present to bid an extra trip or sign up on the extra trip sign up sheet. If a driver is off on leave (as stipulated in the Collective Bargaining Agreement) said driver must personally call in to delegate sign-up authority. If driver has been medically ineligible the driver must have a doctor's release prior to exercising sign up privileges or said driver loses seniority rights for trip sign-up for the entire week. In the event that the above guidelines are not followed the absent driver's name will be posted in red ink on the pass list.

C) Drivers will sign-up on a Seniority basis. The most senior driver will have the first choice on which Extra Trip he/she would like to take. After signing his/her name a #1 shall be placed behind the name to signify that this was that drivers first round choice. Selection of all Extra Trips will continue through the seniority list until all trips are filled. If necessary additional rounds may be needed to fill all the available Extra Trips. A driver selecting a trip in the second round would put a #2 after his/her name to signify that this was that drivers selection in the second round. Sign up shall continue until all trips have been covered.

D) If a driver passes his/her turn on the 1st, 2nd or any subsequent round said driver will so note on trip sheet with corresponding number. The passing driver will then have the opportunity to bid any trip vacated by a senior driver or any trip posted after sign-up day within the same round.

E) A driver cannot sign up for a trip unless the trip duration reflects an increase of thirty

(30) minutes or more from the driver's normal route time.

1.C.4.2 Canceled Trips:

If a trip is canceled, after the bid the following will apply:

- (A) The driver will be compensated for his/her complete regular route whether or not the cancellation allowed the driver to drive his/her regular route. In the event the District could have, or reasonably should have canceled the trip prior to the bid day (actual day of the trip), but did not, upon cancellation the driver will be entitled to the set hours of the trip less the hours worked by the driver on his/her regular route. If said trip does not have set hours the driver shall receive two (2) hours of pay for the canceled trip within (24) hours of the drivers start time. If cancelled within thirty (30) minutes of the designated trip start time for the driver, the employee will be paid three (3) hours as a cancellation award. When cancellation of a trip occurs after bidding for reasons unforeseen and/or beyond the control of the District, no pay will be owed. (Examples: weather, lack of student sign-ups, etc.)
- (B) The driver of the canceled trip shall have the opportunity, in seniority order, to bid any extra trip vacated by a senior driver or any trip posted after sign-up day within the same round.

1.C.4.3 Extra-Trips Posted After Sign-Up Due to last minute competition results.

- a) Sign up will be on a seniority rotation basis. The senior driver will be allowed to give up his/her first (1st) round trip and take the new trip. Senior drivers original trip is then vacant and may be bid by the next senior driver.
- b) All field trips becoming available after sign-up will be posted in the designated area. Each driver is responsible for checking the trip sheet for available trips. All bids on extra runs must be bid on the morning following the posting of the late trip unless circumstances deem it to be impracticable to do so. Trips that become available within one (1) hour of a scheduled start time may be assigned by the Transportation Director or designee without regard to seniority.
- c) There will be no bumping.
- d) If a driver takes his/her name off a trip, it is that driver's responsibility to notify management of their actions. Said driver must write "*Trip Open*" and day it is open for on the whiteboard. If within twenty-four (24) hours of trip said driver is responsible to make sure the trip is filled after they have vacated a trip. If the vacated trip is not filled, said driver will be required to take the trip. There will be an exception made in case of an emergency.
- e) If a driver is sick the day before his/her extra trip, or calls in sick the morning of the extra trip, they will no longer be eligible to drive the extra trip and will be replaced by the Transportation Director or designee.
- f) If the date of a trip changes, the driver stays on the trip within that sign-up week. If

unavailable for reassigned day, the driver then goes into a pass/canceled mode.

1.C.4.4 Enforcement

A) Transportation supervisor or his designee will monitor to ensure no employees will receive more than forty five (45) hours per week. When every driver has completed 45 hours for the week or has passed, overtime then will be offered to the senior driver.

B) Where late breaking developments make compliance with the trip bidding rules impracticable, the Transportation Director or his designee may make the final decision concerning trips.

1.C.4.5 A driver shall have nine (9) working months of district experience as a driver for the District before having the ability to sign up for a trip of long distance. Eligible destination for more drivers shall be:
