CATERING GUIDELINES

Thank you for your interest in our catering service provided by the West Valley School District Child Nutrition Department.

Kendal Bjerke, Child Nutrition Coordinator, will assist you with your catering event. In order to better assist you in planning your catering needs, please read below and plan accordingly.

Catering events must be scheduled **at least two weeks in advance**. This will allow us to plan and receive our food order in time for your event.

If you **plan on using a school kitchen**, per health department requirements, we are required to have a trained person onsite to oversee the commercial kitchen. A **\$25.00 per hour per person** fee will be added to your invoice.

To use our school kitchen, please complete a Facility Use Form online.

 - Number of people to serve?
 - Type of catering service (breakfast, snack, lunch, etc.)?

3. A **firm count** for catering event will be given to the Child Nutrition Department **no less than 5 work days prior** to the event. No changes will be accepted after that time.
4. **Cancellations** must be made **at least 3 work days prior** to the event. If notice is not made within the time period, a \$100.00 service charge will be implemented.
5. Catering events outside the West Valley School District: equipment will be returned to the Child Nutrition Office between 8:00 a.m. - 2:00 p.m. during regular school days. Customers will be billed for any equipment that is damaged or not returned at current pricing levels.
